

America's Funniest Home Videos

America's Funniest Home Videos returns with more of the amazing and hilarious home videos that have been an American television institution on ABC for over 16 seasons.

The videos, submitted by viewers, offer big laughs and compete to win big money. In addition to the weekly contests, special \$100,000 grand prizes will be awarded during the season to video buffs whose wildly funny or unusual clips are judged favorites by studio audiences.

Host Tom Bergeron continues to introduce the comic videos that capture the unexpectedly funny things that happen when adults, children, animals and sometimes even inanimate objects are at their spontaneous best.
