

CONGRATULATIONS TO OUR
IMMEDIATE PAST PRESIDENT
HELEN RICKS
2014 CULVER CITY WOMAN OF THE

This is Helen's 2nd time as Culver City's Woman of the Year. Helen's dedication and her love for NAUW is evident why she is our Woman of the Year for a 2nd time. During her Presidency, she worked very hard on getting us Corporate Sponsors to fund our scholarship fund. She reached out to several major companies such as Wal-Mart, Office Depot, Staples and Ralphs. Helen was instrumental in getting Culver City signed up with Ralphs/Food 4 Less Community Program. She solicited members, family and friends to sign up and select Culver City to receive a percentage of their grocery bill every time they shopped at Ralphs or Food 4 Less. Helen spear headed the community health fair by partnering with the United Methodist Church. The health fair gave free mammograms, blood pressure screening, wellness checks for adults and children and school supplies. The event was a huge success and she made sure Culver City was following the National Programs in making sure we were involved in a health initiative. Helen truly deserves this award and the Culver City Stars salutes her and are very honor to have her as one of our Culver City Shining Star!

**Please send her email congratulating her as Woman of the Year!
