PRESIDENT'S CORNER

HAPPY BELATED MOTHER'S DAY!!

I hope that everyone had a great day and was able to spend time with your families and loved ones.

My Dear NAUW Culver City Sisters, we've had a rough month. We have just lost another one of our Culver City Stars – long-time member **Delma Tyreebee**. Sisters, we have lost two valuable members within the last three weeks. **Delma** was truly dedicated to the **Culver City Branch**. She had been ill for quite some time, but she came back last year to become our **Nominating Chair** and assist us in our election. She was able to get us out of a very tough spot.

Several Culver City members were able to attend her homegoing services at Grace Chapel in Inglewood on April 20, 2011. We will certainly miss our bright **Culver City Star**.

On a lighter note, members of the **Culver City Branch** held a fundraiser on **April 14th** with a **casino trip to San Manuel**. It was a great

success. We had a bus full of people, so we were able to meet our goal. The weather was good and the company was very pleasant. We had a wonderful time. **2nd Vice President Carolyn Williams, Treasurer Kenya Dennis and the Ways and Means Committee** are to be congratulated for all of their efforts. Many of the guests stated that they had a great time.

Most of us lead very sedentary lifestyles, and we need to become more physically active in order to reduce the health risks so prevalent in our community, i.e., heart disease, stroke, diabetes, to name a few. I hope that all of you have read the Health Challenge

Memo and have chosen to participate in the **National Healthy Challenge Project**. It began on **May 1st**.

Everyone should have received a packet of information containing walking forms, nutrition guidelines, etc. Those participating were asked to register online by **April 30th**.

Remember that we will meet on **May 15th** at the **Normandie Senior Housing Center** located at **6301 Normandie Avenue**.

Treasurer Kenya Dennis' daughter, and Evelyn Wright's granddaughter, Kendall, will once again be featured in a Spring Concert with the Debbie Allen Dance Academy on Saturday, June 18, 2011, at the Freud Playhouse. Kendall will be performing in a modern, tap, hip hop, and Flamenco dance. There will be two shows – 1:00 p.m. and 5:00 p.m. More information will be available at a later date.

HE DID IT!!! Our President has succeeded where others have failed. He found Osama bin Ladin. Please continue to keep our President, Barack Obama, lifted up in prayer.

Blessings to you all,

Helen Ricks, President
