## PRESIDENT'S CORNER

### My NAUW Culver City Sisters,

I hope that you all had the opportunity to become a part of history by observing the **Space Shuttle Endeavour** make its way slowly through the streets of Los Angeles on its journey to the Science Center located in Exposition Park. I was there awaiting the **Space Shuttle** on Saturday, October 13<sup>th</sup>, at the corner of Crenshaw and King. But the Shuttle was delayed by four hours, so I left and came back on Sunday morning to get my first glimpse of the massive spacecraft. What a sight to behold!!

I know that many of you were there, but I only saw **Ruthie Williams** and **Matteal Kirby**. **Treasurer Kenya Dennis** was in the grandstand, and her daughter, Kendall, performed with the Debbie Allen Dancers.

The **Joint Membership Tea** was a great success in October. **Sectional Director Audrey Jordan** and her committee did a wonderful job. **Culver**

**City** members who made special presentations are to be commended. They were **National Publicity Chair Evelyn Wright, First Vice President Mildred Slaughter**, and **Treasurer Kenya Dennis**.

We did have one person who completed an application for membership. She was invited by our **First Vice President Mildred Slaughter**. Our new inductee is **Sharon L. Robinson**. She is a welcome addition to our branch. Sharon was also the first attendee at the **Joint Tea** and received a special gift. Our newest member will be inducted on Sunday, November 11<sup>th</sup>, at

the beginning of our meeting. I am asking that all officers please dress in white for the ceremony.

It was great to fellowship with our sister branches and to find out what other branches are doing.

Don't forget that early registration is ongoing for the **Southwest Sectional** to be held **February 1-2, 2013**. The cost is \$160 and will be held at the **Long Beach Marriott**.

**Thanksgiving** is almost here. There are many things for which we can be thankful – good health, family and friends, to name a few. Let us all take the time to give thanks to God for the gift of life.
