### An Awesome 73<sup>rd</sup> National NAUW Biennial July 28-31, 2022 Convention in Florida

Meeting in person after more than four years, had me elated to see some old friends that I haven't seen since the last Convention in 2018. I was excited to get pictures with Forever Emeralds, Dolores Owens, Evelyn Wright, and Ezora Proctor, also our own Sectional Director Clara Frost and our fabulous former Sectional Director Dr. Essie Preston.

We said farewell to our Former National President Letisa Vereen and welcomed our new National President, Betty Wilkerson.

Attending the Convention puts you in the room where it happens. New members get to see the Association as a whole and how everything works.

I had a chance to work on the campaign for one of our Southwest Section sisters, Felicia Torrance, who ran for 1<sup>st</sup> Vice President. I put on the T shirt, handed out flyers and goodies. We didn't win but it was fun. I am looking forward to our next convention in Ohio in 2025.
