

THE COLOR OF LOVE

Message From Branch President Valerie Vaultz

The color of love is transparent. The color of love is invisible. In other words, love is colorblind. Love is deep and wide but can't be measured. Love is huge and heavy but can't be weighed. Love is unconditional. Love is amazing. Love is peaceful. Love is beautiful. Love is wonderful. Love is powerful. Love is you; love is me, love is us. Let us strive to keep love alive and aim for love to be colorfully colorful...
