

NATIONAL ASSOCIATION OF UNIVERSITY WOMEN

NATIONAL HYMN

Music and Lyrics by Evelyn G. Howie

Arranged by Carolyn K. Hill

Like an oak tree with its many branches
Growing stronger every day.

Founded by one common goal
Each branch reaching out in its own way.

To help our fellow man,
Lending a helping hand.

We give our all, in all we do,
As we strive to reach the sky.

Our work on earth will stand the test of time,
As we take the lead of God's Command.

Chorus

NAUW, oh how we love thy name,
Women united in truth, and committed to thy name
We pledge our love and loyalty,
With the hand of God we stand,
NAUW, may God touch us with His Hand.
NAUW, as we grow across this land.
