

# NAUW SOUTHWEST SECTION FUNDRAISER

## HELPING OUR Sisters

### DEAR NAUW SOUTHWEST SECTION SISTERS:

I'm reaching out with an urgent request. Our Sisters in the National Association of University Women Southeast Section need our help!

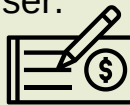

I am requesting that each member of the Southwest Section support our upcoming Sectional Fundraiser. Your donations will go directly to support the needs of our Sisters in the Southeast Section who were devastated by the recent storms, hurricanes, tornados and flooding.

Some families are struggling and in need of shelter, food, heating and medical supplies. There are members who especially need help rebuilding their homes; the situation is bad. Your support will demonstrate love and compassion for our Southeast Section Sisters. Please pray about how you can help our Sisters rebuild their lives.

The goal is to raise \$20,000. The question: "Is there anything too difficult for God?" The response "With God, all things are possible." **The Southwest Section Fundraiser starts November 5th and closes November 30, 2024.**

NAUW Southwest Section Sisters, we've got this, so let's do it! Invite all who are in your circle to participate by giving a generous donation. Invite your church family to share in this benevolent NAUW Southwest Section Fundraiser.
